ART Architects' Journey to Streamlined Operations with Monograph

✓ 25% Profit growth

✓ 50% Efficiency gain

✓ 50% Confidence boost

Before Monograph

We used timesheets done by hand.

Decision Criteria

To streamline the operation and save time.

Use Case

We track all the steps in each project in a clear, concise way that is also easy to translate when needed into client communications.

Biggest Surprise

It tracks the updates in real time.

“

I use Monograph to run payroll and expenses every month. The program is intuitive and easy to use. I can get all the information I need to pay our employees accurately and timely.
