Equip Studio's Journey to Streamlined Operations with Monograph

- ✓ 25% Time saved on admin
- ✓ 50% Faster billing process
- ✓ 50% Less budget overage

Before Monograph

We were always either overbooked or underbooked.

Decision Criteria

Because it had project management, staffing, timesheets, and finances integrated. And it was designed specifically for A&E firms. Also the customer service was amazing.

Use Case

I use it for billing, scheduling, tracking, etc. I most love the planning and future staffing feature.

Biggest Surprise

That our firm has found a sweet spot for our work load.

“
Monograph has allowed us to integrate billing, project management, and staffing in a way that wasn't possible with our prior platform.
